Why?

Interactive Read Alouds

All lessons are based on authentic texts that were carefully chosen to teach a specific skill

Give every student in your class an experience with high-quality, grade-level appropriate literature, regardless of reading level!

Make for great small group or whole group lessons! Detailed enough to leave for a sub or an aide!

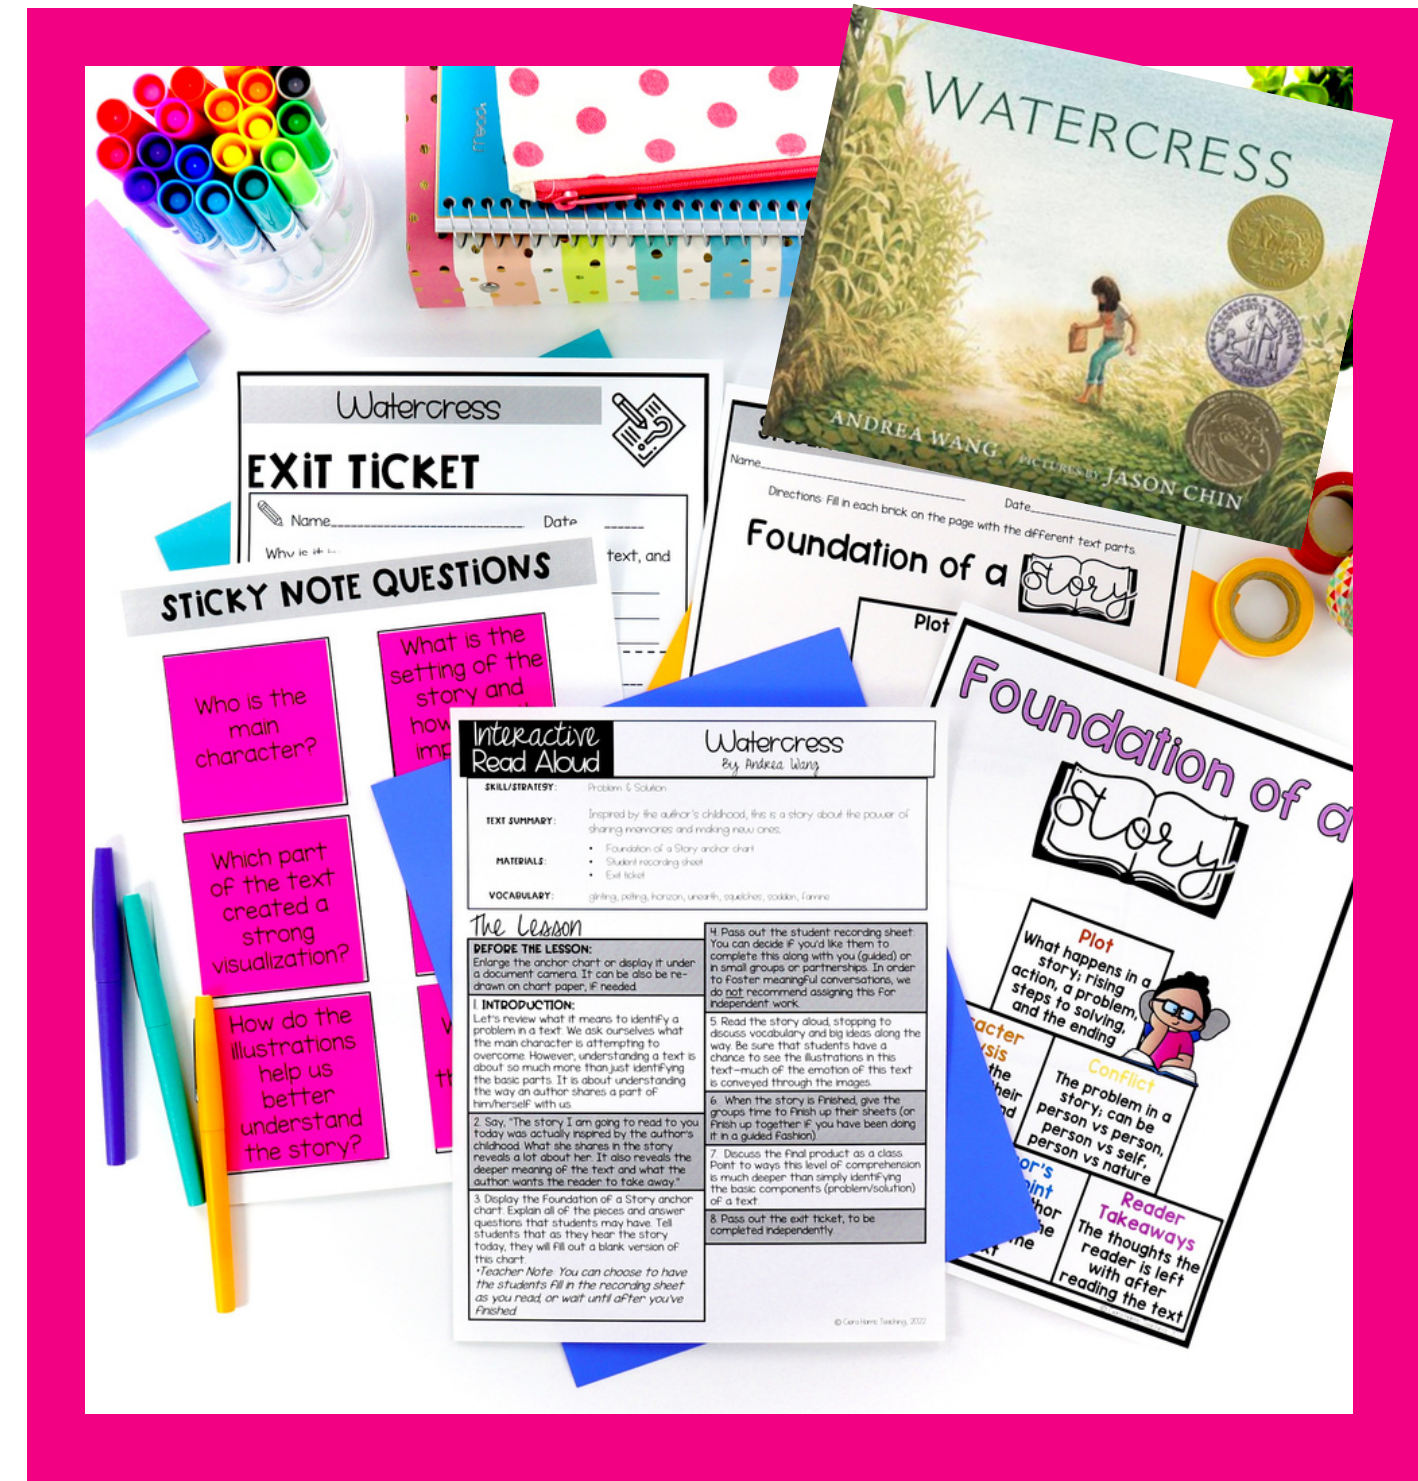

Resource Includes

27 Read Aloud Lesson Sets That Include:

- 3 detailed mini lessons for 3 different texts carefully chosen to target a specific reading skill
- Teacher modeling materials, student practice pages, vocabulary words, comprehension questions, exit tickets, and MORE!
- Every student practice page and exit ticket comes in DIGITAL form!

“A MUST HAVE FOR EVERY CLASSROOM!”

A FANTASTIC WAY TO TEACH COMPREHENSION SKILLS & STRATEGIES!

Get students engaged in authentic literature, no matter their reading levels!

Using interactive read alouds is one of the best ways that a teacher can foster a classroom community of collaboration and harness the power of modeling. You get the opportunity to demonstrate what a great reader looks and sounds like, while giving the same power to your students, regardless of reading level.
